

The Anna I. McPherson Lectures in Physics 2013

Public Lecture:
The Accelerating Universe

Stephen Leacock Building
855 Sherbrooke W
Leacock Auditorium
Room 132

Thursday
January 31st
18:00

Scientific Lecture:
**Type Ia Supernovae,
The Accelerating
Cosmos and
Dark Energy**

Rutherford Building
Keys Auditorium
Room 112

Friday
February 1st
15:30

**Brian P.
Schmidt**

Nobel Prize
in Physics 2011

Research School of
Astronomy and Astrophysics
Australian National University

McGill Department of Physics
