

Anna I. McPherson Lectures in Physics 2019

Public Lecture

Generating High-Intensity,
Ultrashort Optical Pulses

Thursday, November 7 at 6:30pm

Leacock Building, Leacock Auditorium - Room 132

Scientific Lecture

From Nonlinear Optics to
High-Intensity Laser Physics

Friday, November 8 at 3:30pm

McIntyre Medical Building, Room 522

Donna Strickland

University of Waterloo

Nobel Laureate, Physics 2018

McGill

Department of Physics
